We are a specialised Consultancy offering friendly, jargon - free advice and guidance on Health & Safety and Human Resource Management. The burden on you, the employer appears to increase daily, and the penalties for getting it wrong can be staggering. The true costs to your business could be up to five times more than the financial award against you.

Examples of Employment/Tribunal Workplace Injury Awards

Fortunately, most of the problems are foreseeable and with proper procedures and guidance, you can be free to concentrate on your core business, relaxed in the knowledge that you are complying with current legislation.

You can benefit from our specialist knowledge in these areas in a number of flexible, cost effective ways.
