Health & Safety Specialists

Let Reid Consultants be your advisors and rest easy with the confidence of receiving accurate, up-to-date information - every time !

HEALTH & SAFETY POLICIES AND PROCEDURES

You benefit from the provision of bespoke Health & Safety policies and procedures tailored to enable your organisation to operate in the safest possible manner, and to comply with all current or impending legislation.

HEALTH & SAFETY AUDITS AND INSPECTIONS

You benefit from a comprehensive Health & Safety inspection of your premises. Immediate problems are highlighted and a full written report follows, with recommendations for improvement.

HEALTH & SAFETY TRAINING

Your nominated representatives benefit from training to raise their awareness of their responsibilities under Health & Safety legislation.

RISK ASSESSMENTS

Under current legislation, all employers are required to carry out Risk Assessments to detail how their activities may harm others and what steps have been taken to prevent accidents and injuries occurring. You benefit from having expert guidance on what can be a complex task.

HEALTH & SAFETY UPDATES

Health and Safety legislation does not stand still. Keep up to date with our monitoring service. Let us worry about changes in the law - you can concentrate on your business.

'REIDPLAN'ADVICE HELPLINE

Within your organisation, employees have to be proficient in a number of skills. Do they have time to master the knowledge required to make potentially far reaching decisions on Health & Safety matters?
